OUR STORY

In 2013, a vanity company was born in Victoria named Aulic Bathrooms.
We have grown our portfolio of products and renamed it
to The Alex Group Australia. We now stock brand products such as the Aulic Vanities, Lafeme Smart Toilets and the Xenia Collection.
Our passion is providing and supplying customers with expertly crafted vanities and modern, luxurious cistern-less bidet toilets.
Featuring high-quality and technological designs, our modern products have been engineered for the Australian lifestyle, with the added factors of comfort, convenience and touch for our customers.
We value and maintain a sharp focus on what is important to our customers, which is:
Service, value and quality with practical designs for everyday living.
