KITCHEN SINK 2026

Whether your are building or renovating your dream home , we have developed an extensive range of sinks to help you creating a designed and functional space. Fireclay sinks, granite sinks and hand made stainless steel sinks are made from different materials offering differnt features which you will be able to learn from this book. Warranty terms are set as below:

WARRANTY

Granite Sinks: 20 Years Replacement product & 1 Year Labour
Stainless Steel Sinks: 20 Years Replacement product & 1 Year Labour
Sandblasted PVD Color Stainless Steel Sinks: 5 Years Replacement product & 1 Year Labour
Fireclay Sinks: 20 Years Replacement product & 1 Year Labour Fine Fireclay is a natural product and therefore subject to variations. This should be seen as a quality that adds to its unique natural beauty. Variations +/- 2% to the specifications are common and acceptable and are within industry tolerance. We always recommend the cabinet maker and stone provider has the actual sink with them to measure before making cabinetry or cutting stone.
