2. High quality, high strength materials and finishes.
3. Compact size suitable for all shower sizes.
4. 150kg capacity when installed into brick/masonry or multiple wall studs.
5. AS1428.1 Compliant for DDA bathrooms.
6. Gun metal, brushed gold and brushed bronze colours are PVD coated for long term durability.

Finish

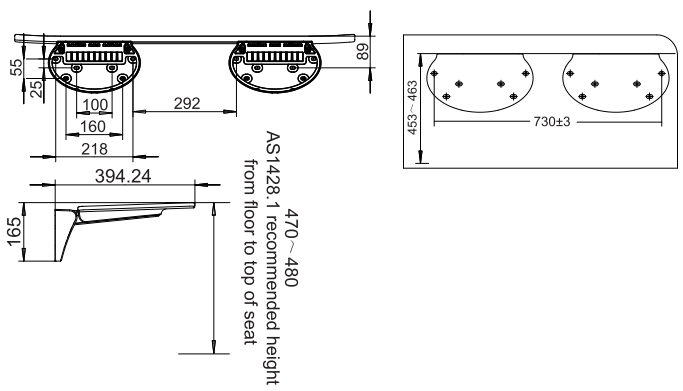

- Chrome NRCR0002CH
- Gun Metal NRCR0002GM
- Brushed Bronze NRCR0002BZ
- Matte Black NRCR0002MB
- Brushed Gold NRCR0002BG
- Brushed Nickel NRCR0002BN

*Dimensions are nominal measurements only.

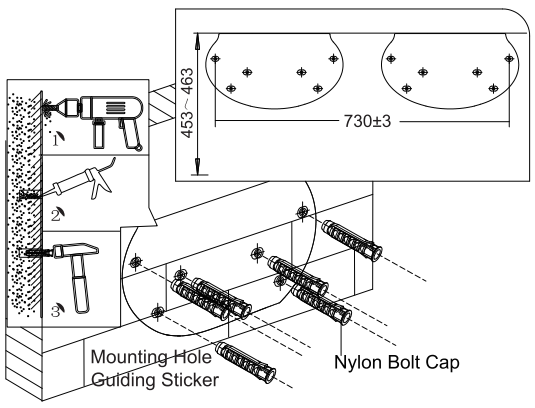

Installation Instruction

Cautions

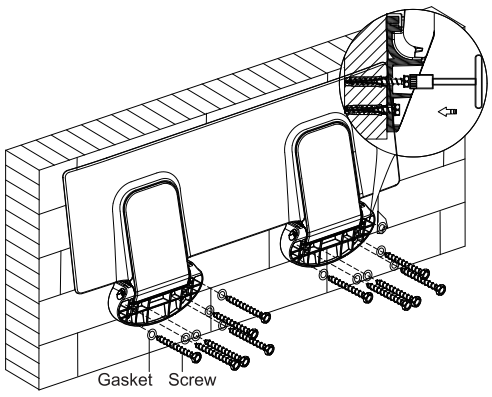

1: Please confirm whether the wall is a load-bearing before drilling;
2: Before drilling, please confirm whether there is a water pipe at the hole position;
3: Check whether the product accessories are complete before installation;
4: Make sure the drill bit is 10mm in size.
5: Make sure the hole depth is 6.5cm.
6: The recommended height from floor to top of seat is about 470-480mm.

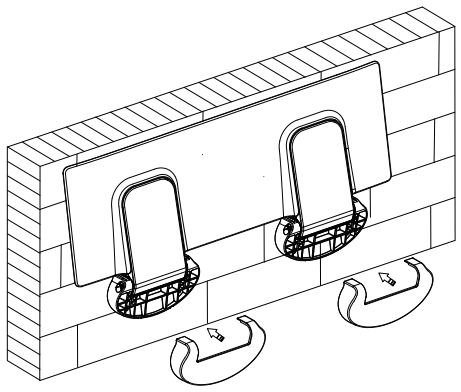

1. Before the installation, Ensure the wall is suitable for installing the shower seat .
Place the wall fixing plate on the wall in the correct position and proceed to mark out the holes.
Tips: It is recommended to have the height from the floor to the top of the seat at 470-480mm. Additionally, it is suggested to have the height from the floor to the wall fixing plate at 453-463mm, as shown in the left picture.

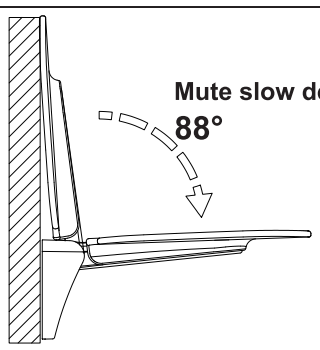

2.Drill 12 holes on the wall, aligning them with the screw holes of our shower seat (using a 10mm drill bit and ensuring a hole depth of 6.5cm). Apply silicone to each hole and firmly insert the Nylon wall plug into the wall using a hammer.

3. Place the shower seat against the wall, ensuring that the screw holes are aligned with the corresponding wall holes, and proceed to securely fasten them using a socket wrench.

4. Tightly secure the base cover.

*Note: you can choose the style without slow down function, and the installation method is the same.

5. Check the function and fold up the seat when not in use.

***Note:The drilling bit is 10mm, and the drilling depth is greater than or equal to 6.5cm**
